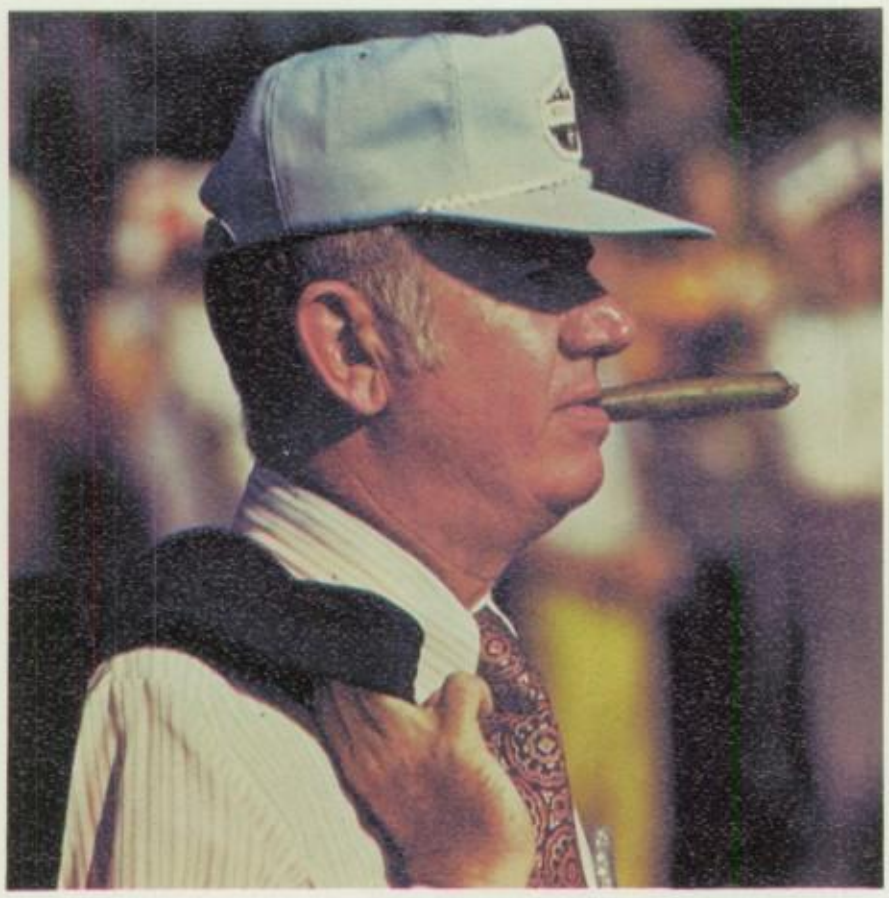
Mr. Dick.

The name itself is practically legend enough. For some fifty years this remarkable "little" man has coached, taught and advised the lives of many a Woodberry boy. When speaking to a Woodberry alumnus, the question inevitably arises of, "How's Mr. Dick doing?" The envitable reply is, "Fine." The man is almost immortal, both physically and spiritually. At seventy-five, Mr. Dick still coaches everything from quarterbacking to pole vaulting to shot-putting. Supposedly, Mr. Dick retired in 1964, but he is still very active around campus as an example, person and grammarian. Even last year he was teaching third form grammar and although not officially a teacher, he still gives helpful hints when the occasion arises. Mr. Dick has meant more to Woodberry than probably anyone alive, and the J. Carter Walker award as well as the dedication of the gym couldn't have gone to a more deserving person. I am glad and honored to have known this great man and I am certain that this sentiment has been shared by hundreds of Woodberry boys through the years. I simply want to take this opportunity to thank you, sir, not only for my sake, but for the entire Woodberry Forest community, past and present.

Robert Lee Stephens, Jr.

Headmaster



Since this is being written in the fall of the year by one who has returned to the School after an absence of four years, it may have something of a Rip Van Winkle ring to it. Also, it will necessarily be somewhat tentative and speculative in its judgments.

An absence of four years does make a difference: some people are no longer here—none of the students I once knew, for instance—and there are new programs. But while one may regret the losses, he can rejoice at the new and improved efforts and be reassured by some of the old and proven traditions that time has not withered. The beauty of the campus, the superb facilities, the friendly students and dedicated faculty all combine to make life at Woodberry very satisfying and worthwhile.

Soon after school started I was asked by an interested new boy what it was like being headmaster of Woodberry. Although I suspect my answer was somewhat superficial, the question has remained with me as the weeks have passed. So, what is it like? The usual clichés of "challenging," "inspiring," or "exhausting," do not seem to provide the right tone or the correct answer. It seems clear that the attempt to produce a "team" spirit for the community lessens the impact or need for "one man rule," if not the realization of ultimate responsibility. As the headmaster, I am afforded an opportunity to work with a number of talented people—faculty, students, trustees, alumni and parents—all of whom have the best interest of the School at heart. These interested groups provide me with an opportunity to measure the School's role from varying perspectives and to make decisions based on something more than intuition.

In sum, then, it is the chance to serve a rather intimate, yet diverse constituency that appeals to me and has a rewarding quality about it that can be found in few other places. For indeed there are few places left on this earth like Woodberry Forest.

We have had a positive beginning and one may with justice look to the future with confidence. The Ten Year Self Study is providing us with an opportunity for that kind of self assessment that an institution like Woodberry must have if it is to remain viable. That we shall undergo changes is certain, that we shall cling to those cherished and meaningful values is clear. To the end that Woodberry will continue to be something very special in hearts of those who learn and those who teach here is our pledge.

A person really can't imagine how much he has within himself until he's pressed to find out. This is why everyone should actually look forward to a challenge and never be afraid of being beaten. You're no less of a man if you are. The response to the challenge is what it's all about.

No man is an island entire of itself. Every man is a piece of the continent, a part of the main. Reputation is what you are supposed to be; character is what you are.

Reputation comes over one from without; character grows up from within.

A waiter cleaning off a table saw that Teddie Davies was still sitting, eating his dessert. Curious of a responce, the waiter said, "Well Teddie, you're king of the table now." Teddie looked up pouting "Why does the king always sit by himself?"

Is it better to say "I know," or stop . . . and think . . . and say "could be?"

"How much do ya'll get paid to do this thing anyway?"

Alas, if only we knew. Last Spring the advent of a year of photography and layouts seemed rosy, yet as deadlines got nearer and we were still dreaming, the roses started to wilt. Finally, someone woke up Stephens and told him to get back on the stick. An avid procrastinator, Stephens merely began to clean up the office and sit down there waiting for something to appear. Slowly but surely negatives began to appear. Ray Washington must have had fifteen photographic essays taken of him beating his defender. Suddenly plans had to be made for pictures, but how? There's nothing about photograph planning in the **Editor's Guide.** Finally, memo form announcements were decided upon but how the hell do you mimeograph something? Newly–recruited photographer Jon Letz, a zealous sort, offered his time and pull with Mrs. Brockman and Co. to get these peon duties done. Thanks to Messrs. Myers and Jamison, stacks of photos and negatives cluttered the **Fir Tree** office while "Organization" Stephens stirred them up and threw likely prospects at Leetz. The "Mayor", as Letz is affectionately known by Emmett ("with two T's") himself, lived up to his nomenclature by wheeling, dealing and mediating (somewhat obnoxiously in fact), to get things arranged.

In the meanwhile, Sandy Finch had been directing his

advertising troops through the economy-stricken shops of Orange in search of any advertisement. Alas, little hope arose, for the Orange merchants continued to guard their monies until signs of a brighter day were to appear. Undaunted, Sandy pushed that much harder and eighths, quarters, even half-page gradually appeared. The conquest of Orange was so time-consuming though, that the Charlottesville prospects had been laid by the wayside. Hardened C'ville store-keepers maintained their plea of "We've exhausted this year's advertising funds," much to the Fir Tree's frustration. Refusing to go down without a fight, any and all members of the staff began to send out pleas of help in

varying subtle ways. The very presence of this book should verify the fact that we financially, at least, made it.

Monetary matters being of little or no importance to the layout and photography staffs, they wanted to do something anyway. Reassured though that "We're in pretty good shape," the staffers simply began to wait for requests to come to work. Pig-headed Stephens and Letz decided somewhere along the line that they could do it all with occasional help from photographers and damn if they didn't get pretty far until Leetz looked up one day and asked, "Why don't we get some of the staff down here working?" Stephens saw some potential in the idea and astutely stated, "Yeah." Lo and behold Shack, Gill, Evans, Dent and more-or-less typist Gary McClure began to invent, recopy, and misinterpret the pig-latin scrawled on the preliminary lay out sheets. Gradually however, they got the hang of it and it worked out rather well.

Deadlines began to loom up at the most in-opportune times—67 pages due in two weeks, another 67 in three, 10 pages in one week—and Stephens' naturally born "put if off 'til tomorrow" attitude didn't help matters any. Threats of college and workloads began to affect many seniors who kind of faded out of the picture, but in times of great need and encouragement they would still help as they could. The re-appearance of the good ole Foto-Rite rapid print maker saved the day (and night) as 75 prints/day were averaged immediately before the club-athletics deadline. Johnny Walters, Bill Hengeveld, and Kelly Gleason came in here, whereas newboy Joey Agular displayed phenomonal print-producing ability prior to the final deadline. In the meanwhile, a very talented photographic editor, Budge Jamison was developing un-godly amounts of film while clicking, studying, playing and trying. His abilities and camera work are responsible for probably ½ of the good photos in this book.

At any rate, the 1975 Fir Tree has in the long run been quite a group effort. Although not mentioned earlier, Mr. Myers has done a super job with the bank books and has done a lot through his photographic endeavors and moral encouragement. The typists, headed up by one Townley Chisholm and speed-typer Jarvis Colbert, have done—well, just look at all the print in this book and you will know how much they've done.

We've tried to have produced the best book we could, but anything that went wrong can be attributed to Stephens or Letz, probably the former. At any rate, we're glad it's over and done with, and to quote Skipper Smart, Editor of the 1972 Fir Tree, "God have mercy on the next young author."

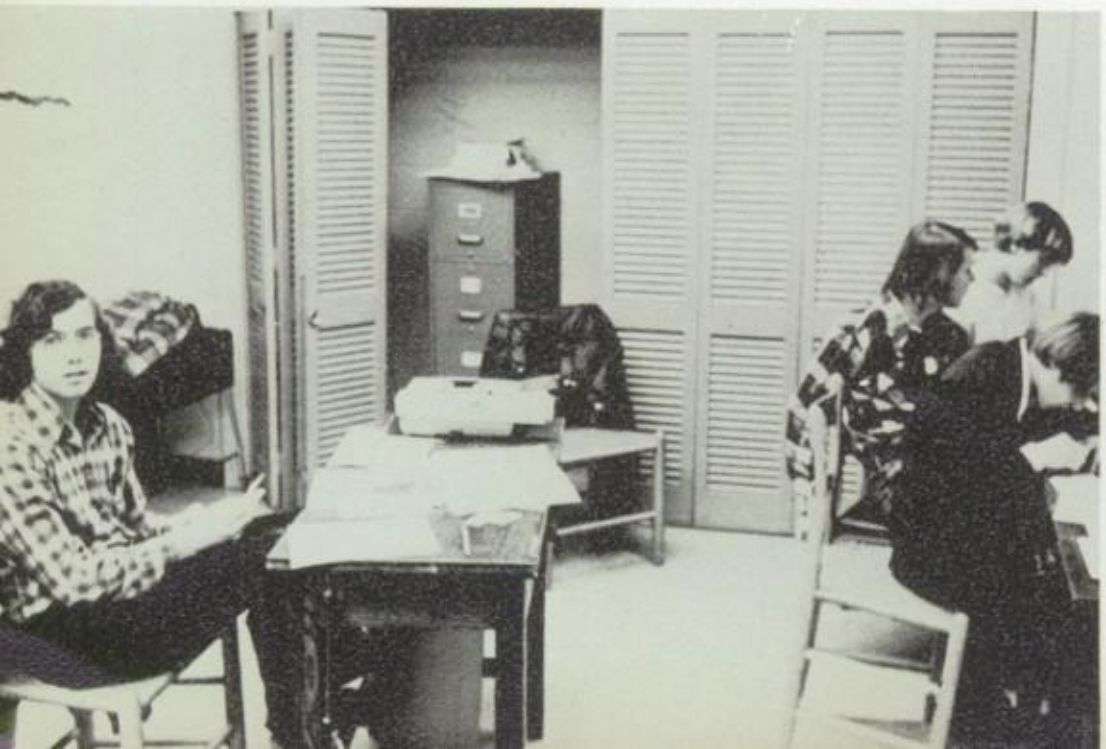
The Oracle, in the recent past an almost elitist publication, is at last extending its base and is hopefully becoming more completely a "school" newspaper. Through everything from bribery to beatings we have gained the "enthusiastic" support of a generally overworked fifth form. Thanks to the cooperation of the English Department we have even managed to entice a few underformers into the realm of journalism. Despite their differences Parks Rogers and John VandeVate have managed to create a working team which we hope has brought a new dimension to student publications.

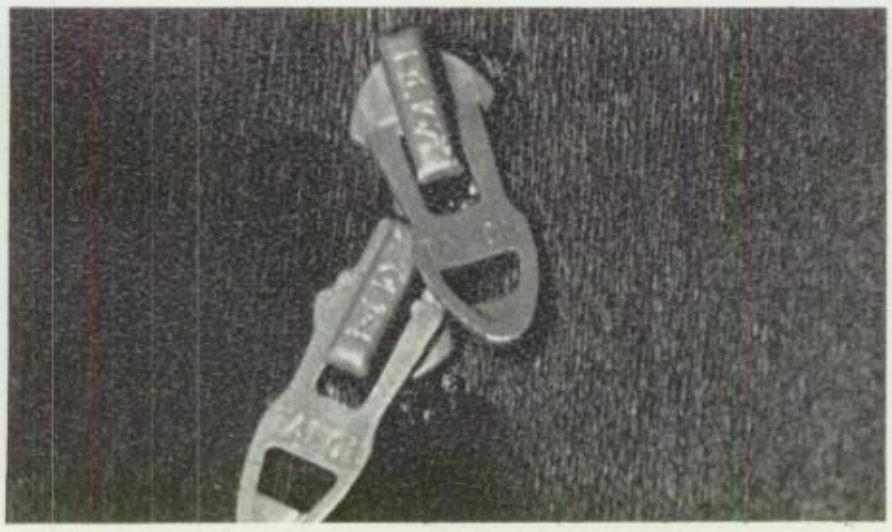


TALON

L. to R.: Gray Hunter, John Howard, Dana Hyde, Peter Mellette, Peter Minor, Nicky Wilson, John Myer, Ned Wilcox.

The problems of the writer and the poet are manifold. We must find subject, experience, inspiration and possibly most difficult, those precious creative moments when hand moves easily with heart and head.

We attempt to give you our best work but young authors, as in any craft, will sometimes fail or leave careless flaws in their art. Think of these shortcomings as proof of our humanity, the quality that us to communicate and to express to others what we have seen and felt.



Chapel Council

L. to R. **First Row:** J. Moon, Chip Mark, Charles Lucas, Ward Williams, Lee Stephens **Second Row:** Diggs Bishop, Wade Wood, George Berry, Bill McMaster, Mark Munoz

The Chapel Council consist of the members of the Woodberry community that have participated in helping Mr. Estes prepare chapel programs. Some 75 students and 15 faculty members have been active in this capacity.

Many students have assisted in the program as acolytes and ushers, while other students have participated by reading scriptures. Several people have been involved in the presentation of the sermon, by doing dialogues with Mr. Estes. Still others have organized collections for worthwhile causes. Mark Munoz organized a collection for the Boy's Home of Covington and Bill McMaster conducted a collection so that the Woodberry community could adopt a South Vietnamese orphan child.

In the future, Mr. Estes hopes that as many students as possible will get actively involved in the Chapel Program. He has always been open for suggestions, and hopes that many students will be willing to conduct a chapel service themselves. This way, the Chapel Council will include many members of the student body, and the chapel programs will be a community participation function.

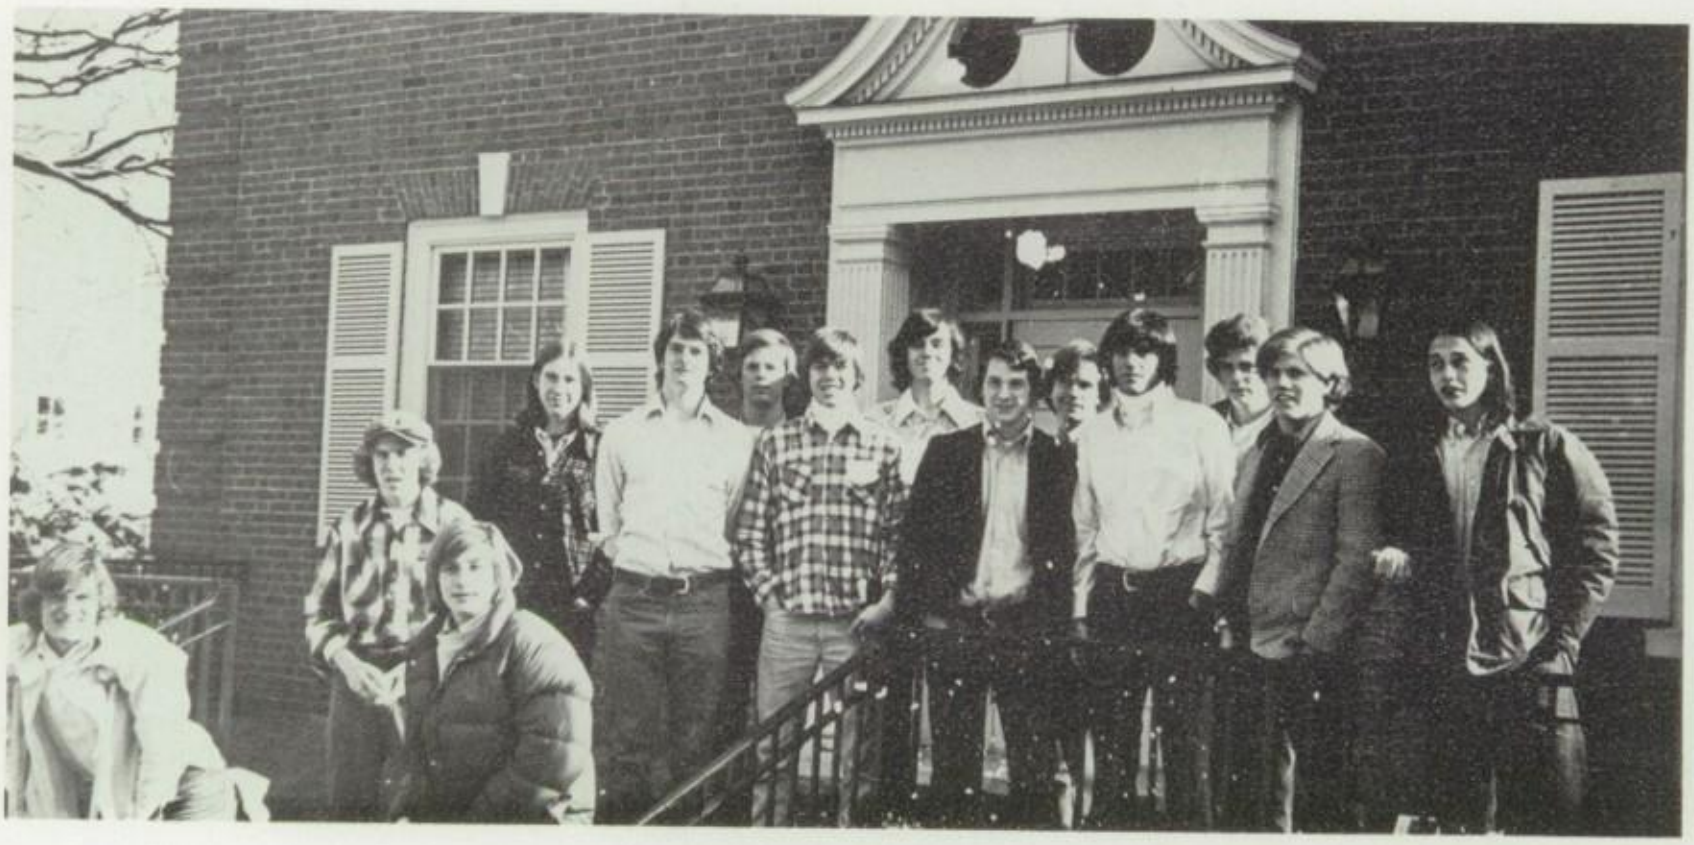
The Fellowship of Christian Athletes is an open society whose main purpose this year has been extending a helping hand to other people. Under the direction of Mr. Duane Estes the FCA has been very active in school life. In addition to promoting fair play in all sports, its members have been working hard both on and off campus. One main undertaking this year has been a Sunday School for faculty children. In this activity seven of the FCA members take over the job, feeding, and teaching the children on Sunday evenings. When one member was asked how he liked it, he responded, "We like being with them as much as they like being with us." One other activity has been the transportation of many third and fourth graders from Orange onto campus for an afternoon of member supervised sports events such as basketball and wrestling, then a movie after the events. So far this has been a great success. The FCA meets on a weekly basis. At these meetings its members discuss Christianity and the roles it plays in their lives, athleticly and otherwise.

Service Committee



L. to R: Massie Valentine, John Fox, Joey Agular, Bobby Dornin, Gordie Valentine, Tim Mapes, Johnny Walters, Bill McMaster, Rick Eliades, Wade Wood, J. Moon, Will Steele, Jimmy Harrison, Chip Gibson.

This year's Committee is undertaking projects in Orange as well as at school. We are doing our share in conservation by collecting newspapers from students and faculty members and having them recycled. Many students are involved in a tutorial program at Prospect Heights School in Orange. Others provide baby-sitting services for faculty parents. Knowing that the winter months can be a bit boring for everybody, the Service Committee is offering an exciting program to 4th graders from Orange Elementary School each Sunday afternoon during February. The kids spend the time playing basketball, wrestling and watching movies. These activities are funded by the operation of a concession stand during athletic contests and a Lost and Found facility.

Getting involved is the whole idea behind the Service Committee. Too many students get hung up in their daily routines and the Committee attempts to add a little warmth to one's school year. To know that you've accomplished something, whether it be collecting newspapers or tutoring a young child, is most satisfying.

Current Events Club

L. to R: D. Taylor, Johnny Walters, Mark Dent, Walter Smith, Mark Munoz, Jimmy Harrison, Chip Gibson, Richard King, Charles Lucas, Tom Whitehead.

One of the more popular clubs in recent years, the Current Events Club emerged again this year under the new leadership of Coach Nathaniel Jobe. The especially stimulating thoughts of wild travels to New York and late nights in D.C.'s politically provocative night clubs attracted a modest myriad at first. Then, with those who remained interested, the club was divided into three parties, Democrat, Republic and Independent. Within each party a leader was elected and the group began to resemble the U.S. Senate after which it was patterned. Investigative committees were formed to do research and to inform the parties on debatable subjects. Meetings were then held with Vice-President Jobe presiding. Topics discussed this year included "Forced Busing to Desegregate Public Schools," "Unconditional Amnesty For Draft Evaders" and "Capital Punishment." Heated arguments aroused by the illogical conservative wing and poorly suppressed by the free-wheeling liberal Democrats were usually resolved by the intellectual and morally righteous left-wing Independent Party with the help of V.P. Jobe himself. Though tense and frenetic at times the club endures with sweet thoughts of New York and the Independent Party in the back of its mind.

This unbiased political information paid for by the Independent Party of America.

This year the erudite society of Woodberry experienced a rather delayed and faltering organization. Once initiated though the Book Club enjoyed a large and active membership. John Meyers, John VandeVate and Mr. Bassett will hopefully create a foundation from which the Book Club can build in future years.

WFS Radio

A thought, a dream, static, A REALITY! One could consider these respectively as the past four years in the development of Woodberry's "home-grown" radio station, WFSR. Since the initial broadcast in mid '74 WFSR has expanded and professionalized to a very promising degree. A competent staff of approximately 20 students who have both contributed and learned from this aspect found in very few preparatory schools.

WFSR is certainly not an overpowering means of communication at Woodberry, yet from the results of polls taken and by the continuous response of the students, we feel safe to say that Woodberry Forest has its own radio station to stay! All interested students have found a place with WFSR, whether it be as an announcer, newsman, sports interviewer, or technician. The station operates for the community with its own personalized style. Each student is free to create or receive instruction on creating a feature which will be aired for the school. Through generous grants from the administration, WFSR has procured quite a versatile

network of equipment which is used by staff members in both a recreational and instructional manner. Announcers are free to operate shows with their own personal format in mind. Broadcasting hours are from 9:30-11:00 each weeknight and all day on weekends. This allows for the maximum possible air time without interfering with the students' studies. Many days when the station is off the air during class time, Bob Kirk, the head of the radio, busies himself teaching students about the operation of the station; this instruction is provided for the fifth form English students and will become a regular part of the English program.

Special features such as radio plays, editorials, interviews, and informal "bull sessions" are often heard on WFSR. Many times students will display their musical talent with live concerts over the air. WFSR will continue to grow and will continue to grow more listerners. Yes, it worked! For right now let's just say we're around when you want us—590 AM. Who knows, tommorow it may be FM—just a thought.

This year, the choir, under the able and dedicated direction of Les Myers, has again treated the Woodberry community to its "merry melodies". The addition of many new voices has improved upon the previous quality. Each Sunday, these noble souls faithfully lead the Chapel services in song, despite what all will agree are unwarranted criticisms.

Some of this year's highlights have been the Choral Workshops and special programs such as the annual Christmas Carol Service, which the choir has presented. The Dozen has also been busy on their own tunes, with special performances at Alumni Weekend and Amici night. Perhaps the height of this season was the trip to Shipley School for girls in Philadelphia, where the combined choirs sang Mozart's "Mass in C". These trips and plans for more in the future make choir the best course on campus.

This year's Dozen had a big rebuilding job because it lost several key vocalists, as well as "Rockin" Ron Weaver, their director. The job has been accomplished rather well, though, through the persistence of the new director, Mr. Myers. After recruiting several new members, the Dozen went into hiding. With people like Jeff Smith and Mark Munoz on the bass, Tom Herbert and

For the first year in its history, Woodberry had a Pep Band. Of course it lacked experience and membership, but as a whole, the band added a great deal to the school's spirit. From their debut to the EHS game, the Pep Band was there giving all it had to the school's spirit.

Lead by outstanding instrumentalists, such as Steve Thomas, Buck Copeland, Jeff Smith, and Brent Minor on the trumpet, Billy Rogers and George Graves on baritones, Mark Lucas and Billy Buie on trombone, and Kent Dyer on the drums, the Pep Band made their greatest appearance on EHS weekend. Armed with fight songs and decorative horns, they helped lead Woodberry to victory. Of course, they had a fearless leader, Mr. Davies, who even played his sax when it was needed least!!!

Since the Band had no seniors this year, the returning veterans will provide the nucleus of potent and lively group next year. Get psyched!

Dearest Roger,

Howdy Honey. I just can't tell you enough how much fun I had up at Woodberry this past weekend! I mean, when you called me up nine days ago and asked me up to ya'll's dance, which incidentally thoroughly shocked me, I never dreamed I would have such a wild time! You know what I'm talking about! Especially when we were running away from those men, or "masters" as you called them—you know, down by the river. That made me **so** mad at the time, not only losing the belt to mx dress, but the grass stains on it still won't come out!" Oh, Roger, you were just **the best!** I realized once I got back home, how much you really mean to me—not that I didn't appreciate being with you the entire time, but you have to admit, things were so hard there for awhile between us, you know last summer, that I thought we'd never spend another weekend together again.

Those decorations and y'all's gym was super, too! Who put up all those parachutes and black plastic and junk? It was really kinda weird to walk through all those tunnels and under the sags to finally get to the dance floor. By the way, that band really couldn't be beat! I had just as good a time dancing to them as we had listening to them in the Lounge. It's too bad that some of those chairs are so messed up, but the "Pit" took their place **very** well! I was really embarrassed when I kicked that drink over, but since you said somebody'd get it later I didn't worry about it any more, but yech! Cleaning up that place must be a pain and a half!

Okay Sweets, you take care of yourself now, and remember that I had absolutely the best time and that nothing would mean more to me than for you to come down here and see me **real** soon. Don't forget to tell all those boys that I enjoyed meeting them all, particularly that real cute one, you know, lil' Mae. Write me baby, 'cause I miss you something terrible.

Love,
Lisa

This year, the Colloquium Committee, under the hardworking leadership of Mr. Jobe, has attempted to fill a gap in the "Woodberry Experience". We, as a committee, realize that life here at school is somewhat isolated from the "real" world in which we will all have to endure in later life. It is with this purpose in mind that the committee has provided and will continue to provide some insight into the problems of adjustment which face Woodberry students in our complex society. Our goal in this endeavor is to promote awareness and to raise questions to the student on problems that he as an individual will have to solve.

Our colloquium on "A Vision of Man's Future" is an example of this ideal. The committee was able to bring together a broad view of the future of human survival and presented a very provocative seminar touching the fields of medicine, anthropology, engineering and the social sciences. Despite a lack of student and faculty interest, those who took part in the colloquium found the lectures and films to be a learning experience, judging from the level of discussion which took place afterwards. We, as a committee, do not expect to capture the interest of the entire student body, but instead we feel that if one individual has gained some insight into the question at hand, then we have done our service to the community.

The 1974 varsity football team was possibly the finest success story of Mr. Caughron's 15 years at Woodberry. The Tigers faced a demanding ten game schedule expanded to include prep rival Blue Ridge. Spiritedly led by talented captains Vernon Geddy and George Berry; the Tigers defended the Prep League title in fine, undefeated style. Coaches Caughron, Gillespie and Kihm; have for the second straight year guided the team to an undefeated season. This year's drive toward a Prep League Championship began on Aug. 27 with an enthusiastic two weeks of early practice.

The Tigers met their first test in the season opener at Blue Ridge. The Barons thought they had their best team in years: one capable of upsetting Woodberry Forest. The Barons reported to have a new "mystery offense" that would dupe the Forest. The Tigers apparently solved the mystery in handing Blue Ridge a 21-0 setback. Fumbles haunted the Barons' first quarter and halted a drive deep into Tiger territory. On the second play of a Woodberry possession tailback Ray Washington broke an off tackle play and romped nearly 60 yards for the score. Roger Wilson and then Washington again scored on runs before the half. The third quarter could have been disaster for Tiger championship hopes. All Prep quarterback Chip Mark was sidelined indefinitely with a ruptured spleen. The defense kept the Barons in their own territory the entire second half but the offense sputtered and failed to score again.

The following week saw the Tigers handle FUMA in 41-0 fashion. The game was an awesome display of a potent Woodberry running attack and a very stingy defense. New boy standout Pete Conroy made his debut in rushing for 156 yards and two rambling touchdowns. The offense was moved consistently by quarterbacks Charlie Lucas and "J" Moon. The Worm accounted for TD passes to split end George Quarles and tight end Vernon Geddy. The defense led by Richard Moncure, "D" Taylor and Henry Maclin yielded but 25 yards total offense to FUMA.

The Forest hosted Collegiate and their cheerleaders on home turf after two away games. Richard Moncure was no less than agile, mobile and hostile in leading the 35-0 score with three touchdowns. A tough defense proved itself once again by sitting on that intact scoreboard goose-egg. The defensive line of Chip Sisk, Elliott Newcombe, Tom Armstrong, Henry Wilson, and Cal Peterson were a tough bunch for Collegiate to handle. Mr. Gillespie's boys are seldom handled (just ask him.) The secondary led by fearless (sometimes reckless) Massie Meredith and including George Quarles, Moon and Roger Wilson, all but stifled any kind of passing attack.

A hard nosed team led by a pass happy quarterback from the Hill School next tangled with the Tigers on

Hanes Field. The Pottstown squad proved to be one of the toughest teams on the schedule. The Tiger rushing attack ably led by Lucas and Moon proved itself hard to contain. "Little Nasty" Ray Washington juiced past defenders for scores on two occasions and fullback Moncure plowed across for one. Hill's air attack and student body sweeps posed problems for the Tiger defense, but a determimned defensive effort in the form of three tremendous goal line stands, held the Hill to 14 points. The final score was 21-14.

Virginia Episcopal School was yet another team with hopes of upsetting Woodberry. The fired up Bishops held the Forest to two touchdowns in the first half and put in one of their own. The Tigers broke the game open early in the fourth quarter by capitalizing on Bishop blunders. "J" Moon's interception return for a touchdown was the first of three scores in the last frame. A George Quarles interception set up another score. Ray Washington amassed 243 yards rushing and scored three TD's, one of them on an eighty yard run from scrimmage.

The Tigers next demolished Randolph-Macon by a score of 49-0. It was a perfect example of Woodberry's amazing depth. Six different backs scored touchdowns. Mac Hoak quietly rushed for 112 yards and a TD. "THE TOE" also added 7 of his 38 "point after" kicks in this contest. The Tigers did not take the Yellow Jackets lightly but hoped to reach a near peak for St. Chris the following week.

The St. Christopher's game was, as always, a highly emotional contest. The team had dedicated the game to producing Mr. Caughron's 100th victory in his years at the Forest. The first quarter was a defensive struggle as neither team could generate steady offensive drives. Chip Mark made a classy comeback and started the second quarter with a bang. Mark hit split end Brian Murphy for two TD's on identical 35 yard corner patterns. St. Chris mounted a drive on several costly Tiger penalties and scored before the intermission. The score was 14-7 at the half. After a stimulating halftime chat with Mr. Gillespie the offensive line came alive and led the backs down the field to score. Pete Conroy took a screen pass from Mark and with some devastating downfield blocking by Sandy Finch and George Berry rambled the 50 yards to six points. The defense was tenacious throughout and came up with four interceptions. George Quarles led the pack with two, John Shackelford with one and the nasty "D" Taylor with an interception return for the score.

It was the Tiger goal at this time to go into the Episcopal game undefeated. Woodberry did just that in handling Norfolk Academy 42-17 and Gonzaga 36-14. After going to an early 21-0 lead at Norfolk, the Academy shook the Tiger secondary with two quick TD strikes. The entire defense then got together and quieted the Academy for good. Mark led the offense to three more touchdowns and then called it quits. A week later Gonzaga came to the Forest trying to salvage a losing season in a tough Washington league. It was rough going in the first half and the Tigers had only a slim seven point lead at the half. In the third and fourth quarters both the offense and the defense gelled producing 21 points and giving up but seven more. Next week came EHS.

The 74th game of the Woodberry–Episcopal rivalry matched two of the best teams ever to emerge from both schools. Both Episcopal and Woodberry were undefeated and the Prep League Championship was at stake. The Tigers were hungry to avenge the High School's "moral victory" of the previous year. What a showdown! Since the game was dedicated to the commemoration of Mr. Dick's 50 years at Woodberry, the Tigers wanted it even more.

Richard Moncure churned out a total of 65 yards in screen passes from Chip Mark to set up the first two scores of the game. They came midway through the first half when Washington put it in from off-tackle and Mark sneaked up the middle. The Tiger Defense contained the explosive Maroon option play for the most part, but EHS punched a score through with only seconds left in the half. A slim 14-7 tiger lead was beefed when at the start of the third quarter, Ray Washington burned a long gainer of at least 50 yards to demonstrate his patented 6 point shuffle. Mac Hoak added the boot to make the score 21-7. Later in the quarter, Mark hit a wide open Vernon Geddy in the end zone to complete

the Tiger scoring and seemingly put away the Maroons for good. But a scrappy EHS team proved hard to put down and managed to push across two more markers. Final score 28-21. Moral victory? Yeah.

The 1974 football season was a truly great experience for the team, the coaches and the entire school. It saw Mr. Caughron's 100th victory here at the Forest. It saw an undefeated defense of the Prep League Title, a defense which is a tribute to the dedicated efforts of Coaches Caughron, Gillespie, and Kihm, and to the devotion of Leonard W. Dick for the athletic program at Woodberry Forest. Despite gaping holes left by graduating seniors, next year's team, led by tri-captains "J" Moon, Pete Conroy, and Ben James, should be little less than **Nasty.**

Varsity Cross Country

First Row: Bobby Gregg, Sam Currin, Peter Smith, Beale Payne, Richard Hildebrandt, Ned Wilcox, Woody Williams, Randy Gorman. **Second Row:** David Dorsey, Richard Randolph, Mac McCoy, Charles Grady, Bill Cutchin, Mike Herrman, Ernest Wilkerson, John Palmer, Hunter Roberts, Steve Hargett, Mr. Bloor.

As has become a tradition at Woodberry, the Varsity Cross-Country team began its season with a three day, 75 mile jaunt in the Blue Ridge Mountains, along the Skyline Drive. The year looked grim for Tiger harriers with only two of the top 5 runners from last year returning. The team worked hard in early practice.

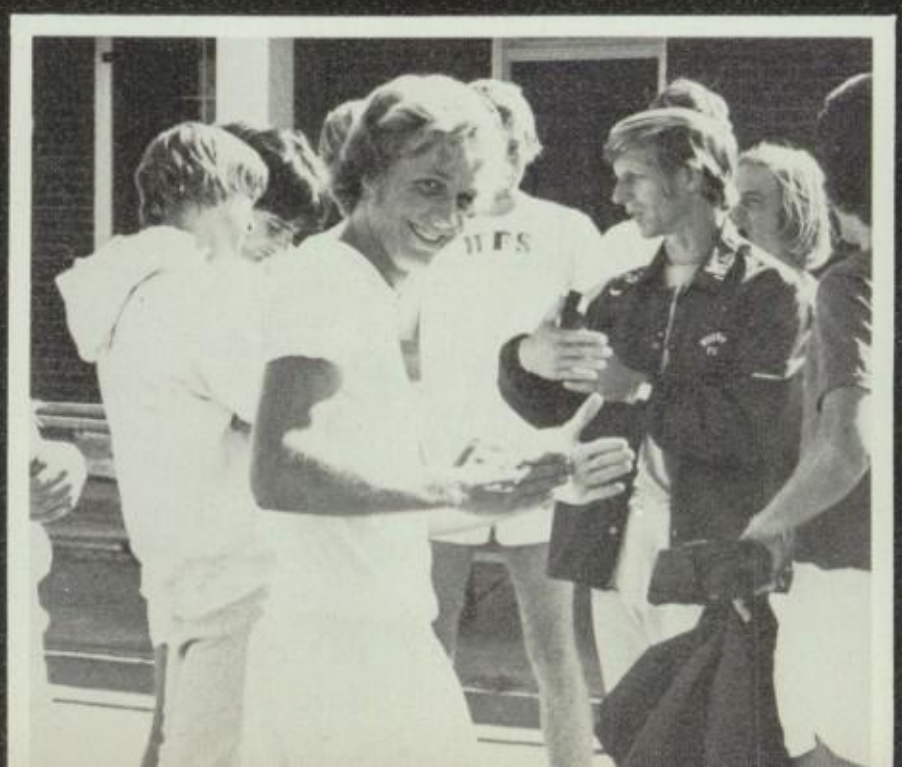
With this mileage, plus that put in back at the Forest, under their belts, the group first demonstrated their talents against their annual first nemesis, Fork Union. With Richard Hildebrandt, Hunter Roberts, Pete Smith, and Bill Cutchin gaining the first four places, and Ned Willcox, Ernest Wilkerson and Beale Payne getting sixth, seventh, and eighth, the Tigers began the season well with a 16-47 victory over the rugged terrain of the Blue Devils' course.

The next week it was back to our home course against Collegiate, which has in the past provided a close contest for the harriers. However, this year it was no contest, as Co-Captain Richard Hildebrandt set a record for the new course and Hunter Roberts grabbed second place. Mike Herrmann ran in on the heels of a Collegiate runner to take fourth while Bill Cutchin and Pete Smith filled out the scoring in a lopsided 18-44 victory.

After another seven-day interlude a determined team from the Hill school came down to the Forest to provide another test for our squad. They left after suffering a decisive 19-42 defeat. Richard Hildebrandt set another course record, 15:56.4, leading teammates Roberts, Cutchin, Smith and Co-Captain Willcox to victory. All of these runners, plus veteran Beale Payne, recorded their best times of the year—so far.

The team's winning ways continued the next Friday as a generally psyched-up Woodberry team faced what Coach Bloor deemed the "best team we've had to face so far"—Culpeper. It is possible he was just trying to keep the team from becoming smug, for Woodberry took the first seven places to win, 15-50. Hildebrandt and Roberts took 1 and 2, and John Palmer roused himself from his "former" state of lethargy to take fourth behind Bill Cutchin. The remaining places went to Herrmann, Willcox, and Smith, while Ernie Wilkerson achieved his best time again so far in taking ninth.

The Tigers next travelled down to receive their only dual meet defeat of the year at the hands of St. Chris, last year's state champions. They were able to overcome the valiant Tiger squad 20-39. Hildebrandt took third place, within six seconds of the Saints' first man, and Roberts, Palmer, Willcox and Smith took 6th, 7th, 11th and 12th. The Tigers were hurt by the absence of the injured Bill Cutchin, but the Saints were admittedly too strong.



The Prep League Meet, the third meet in eight days, was held the following Saturday at Norfolk Academy. The Tigers came in second once more to the powerful St. Chris. Over the flat, 2.5 mile course, Richard Hildebrandt finished third, again just behind two St. Chris runners. Hunter Roberts fought to an excellent eighth place finish and John Palmer pulled off a fine thirteenth place. Ned Willcox took seventeenth place and Mike Herrmann 21st to provide the rest of the scoring.

In a tri-meet against Eastern Mennonite and S.M.A., Woodberry's harriers managed to take second, even without Hildebrandt and Cutchin. The Mennonites took the first three places, but were forced to yield fourth to Roberts, who ran one of his finest races of the year. Co-Captain Willcox was the team's second man in, finishing in tenth place, with Palmer, Herrmann, and Smith taking 14th, 17th, and 18th.

After a respite of eleven days, the Tigers were faced with the most important meet of the year—the Va. State Meet, held on our own home course. Woodberry took a find third, behind the superpowers of St. Chris and Eastern Mennonite. Most of the team recorded their best time of the year, as Richard Hildebrandt set a new school record of 15:46 in taking third place behind Mennonites's Kenny Layman and the Saint's Rick Moore. Hunter Roberts ran exceptionally well for 8th place, making the State Team. John Palmer achieved a fine 13th place, with his best time of the year. The quartet of Willcox, Herrmann, Cutchin, and Smith finished in 23rd-26th places, all but the recently recovered Cutchin running their best times of the year.

In what is usually an anticlimax, the meet against Episcopal proved to be quite exciting, not because of the competition, but because many runners achieved their best times. Richard Hildebrandt finished out a stellar cross-country career in taking first place. Hunter Roberts and John Palmer lowered their personal bests by eleven and twelve seconds respectively. Ned Willcox, who along with Hildebrandt provided inspired leadership for the team, finally joined the elusive 17 minute club with a fine time of 16:59. Peter Smith finished his career in style with his best time of the year, 17:13, just in front of Cutchin. Ernest Wilkerson lowered his personal best by 29 seconds in outkicking an Episcopal man in 17:27. And by the way, the final score was 19-42, leaving the Tigers Cross-Country team with a fine 6-2 record.

The team is losing several fine runners to graduation this year. The dynamic duo of Richard Hildebrandt and Beale Payne, each one a three-year veteran, will be sorely missed. Ned Willcox and Peter Smith will leave gaping holes in the team's lineup which will be hard to fill. However, next year's team, led by Tri-Captains Hunter Roberts, Mike Herrmann, and Ernie Wilkerson, will have a strong nucleus of five returning lettermen to build around, and so will be a power to be reckoned with in the struggle for the State Championship.

J.V. Football continued in undefeated fashion for the third consecutive year with an unblemished 7-0 effort. The Tigers demolished the Belfield Varsity 26-0 in a game highlighted by quarterback Robert Dameron's touchdown pass to Tom Baker and a 60 yard run by Harris Jackson. Lane High School was scheduled next and the Tigers chalked up a hard-earned 14-6 victory. One of only a vew few scoring opportunities for the Tigers was provided by a Lane fumble deep in their own territory with only a minute left in the half. This was converted into a touchdown pass to Gifford Piercy from quarterback Kevin Wheelock. The Tigers were psyched for their next opponent, V.E.S., for they are always tough competitors on the J.V. level. Relying mostly on the running of senior Rob Long and underformers "Hookie" Jackson and Louis Haggin and on the defensive efforts of Ricky Pichler, Mark Kantor, Will Nixon and Norman Thomas, Woodberry whipped the Bishops 30-0.

The J.V. had a tough time against St. Chris but a tenacious goal-line defense led by linemen George Payne, Ward Williams, Kerr Scott and Kenny Tanner left the Saints with nothing to show for their efforts. Touchdowns were tallied by Rob Long and Kevin Wheelock and on a pass to Gifford Piercy as Woodberry romped 22-0.

The Tigers were then ready to play Augusta Military Academy's Varsity, a traditional hindrance to J.V. teams which had tied A.M.A. twice, 0-0 and 6-6, and had beaten them once, 2-0. Stacking their defense against the run, A.M.A. was picked apart by passes to Rob Long and Gifford Piercy, setting up two touchdown runs by "Hookie" Jackson.

Alex Evans and Mark Kantor destroyed the Blue

Ridge passing attack with three interceptions as Blue Ridge fell victim, 36-0. The game was highlighted by brilliant defensive play as Will Nixon, Steve Thomas, Norman Thomas and Gifford Piercy all scooped in fumbles and by offensive play as Archie Randolph scored on a 32 yard sprint.

And who could have been a better opponent to beat as a finale than E.H.S. on their own field? In this traditional rivalry the Tigers were looking for a big win to help boost the Varsity for their big the next day. Blood was drawn first by Woodberry as Piercy caught his third touchdown pass from Wheelock. The game was highlighted by interceptions by Alex Evans and Gary McClure with superb play by Norman Thomas, Louis Haggin and Ward Williams. E.H.S. fell by a score of 20-6 making the J.V. record 7-0.

Head Coach Estes deserves a great deal of credit for organizing a motely crew into a football team and for his effort with the offensive line which gave the backs room to average 25 points per game. Bill Chapman deserves a share of the glory for his defensive squad which allowed only 1.7 points a game to the opposition and for his work with the offensive backfield.

Seven wins and no losses. Woodberry J.V., 175 points, opposition, 12. Three years in a row undefeated. Can the J.V. do it again? Tune in next fall for another exciting season of J.V. football.

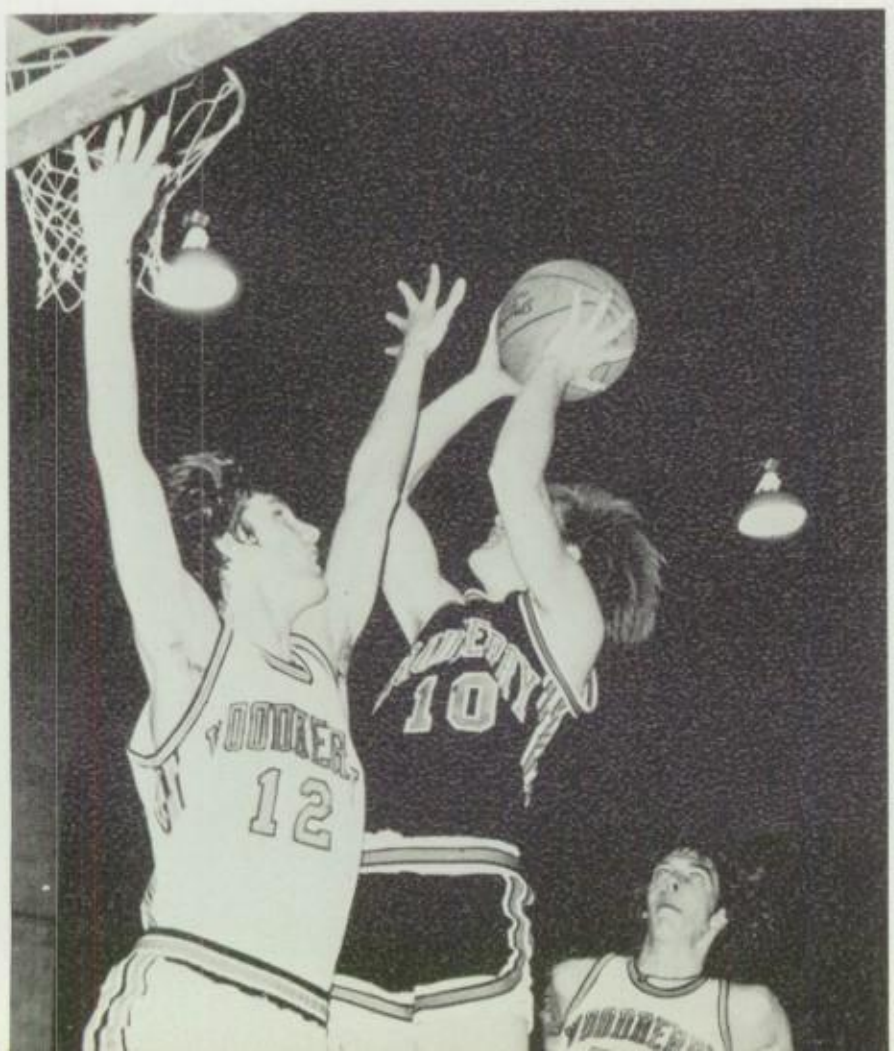
The 1975 Tiger Cagers from Woodberry Forest School, a college preparatory school for young Virginia gentlemen nestled in the heart of the Blue Ridge Mountain in beautiful Madison County, came up with yet another winning season for Coach Robby Hershey. The hoopsters found themselves fighting some stiff Prep League competition in sporting a 12-7 record.

A scrappy and very competitive team, led by captains "D" Taylor and Chip Mark was caught up in several close games. Frustrating defeats, losses in final seconds provided an edge of disappointment to an otherwise successful season.



The Tigers started the season with impressive triumphs over weak opponents and finished out with not so impressive losses to strong opponents. Some of the highlights of the year were Tom Whitehead's 10 points against a tough yellow jacket ball club and "J" Moon's 6 points against the Belfield Buffaloes. Other minor contributors were the starting five of Dan Moore, "D" Taylor, Jim Grainger, Biery Davis, and Locke White. Some of the other scoring came from the remaining pine-riders, Chip Mark, Norman Thomas, Marvin Bush, Cam Chesson, Worm, and Joe Baggett.

The outlook for next year is bright with starters Dan Moore and Locke White returning. Moore broke bad on the boards this season by leading the Prep League in rebounding and scoring. Other phenoms returning next year include the ball handling skills of Joe Baggett, the jumping and shooting talents of Norman Thomas and the good looks of "J" Moon.

All in all the 1975 Woodberry Forest Tiger Hoop Ball season turned out to be great fun, exciting, humorous, different, obnizing, Dantizing, Zitizing, Moonable, Wormable, Breezeable, Normacious, Baggable, and finally just downright TIGARIOUS.

"Go George . . . Pin him!" Gymnasiums throughout Virginia reverberated with this thunderous chant as undefeated senior heavyweight George Berry stepped on the mat.

George was not the only undefeated member of Woodberry's wrestling team. John Shackelford ended his career with first-place honors in the Prep League, the state, and St. Alban's tournaments.

George and John were supported by the dedicated efforts of Ab Hammond. Ab battled to third place in the Prep League, the state, and St. Alban's tournaments.

Beyond these three powerhouses the team lacked experience. Underform wrestlers Joey Marvin, Scott Cooper, Ferdinand Pierre, Herbie Bryant, Anthony Martin, Mark Lucas, Ben James, Robert Frantz, Patrick Nash, and Tom Armstrong show promise for next year. With the experience they have gained this year, perhaps they can build a championship team.

Varsity Soccer

Leetz, you had sure as hell better change this damn thing!

The 1975 Varsity Soccer team was not undefeated this year. Ray Rah Varsity Soccer! In Coach Reimers own words it was mainly a "building year" after suffering the consequences of only **one** returning letterman. But the inexperienced players yielded probably more than was expected. Losing only two games by more than one goal and plagued by foul weather which cancelled practice after practice, the 4-7-3 record falls short of an accurate description of the season. A good effort and a good time was had by all; the season was no failure.

Before Christmas the season had a promising start with Budge Jamison scoring two goals for a 2-1 victory over Christchurch on the road. Following that, a road trip to V.E.S. proved disappointing as the team was outmaneuvered 0-3. The first home game delivered an unexpected loss 3-4 to Belfield with John Jordan scoring all three goals from his halfback position. After Christmas, the view seemed to brighten. In one of the teams best efforts, a win against Blue Ridge 2-1 was recorded only to be dimmed by an injury that put star defenseman Ricky Pichler out for the season. A brilliant home game perhaps a tribute to Ricky had Woodberry hand RMA a 7-1 loss with Kelly Gleason and Mark Robinson and "boom it" Carter Hotchkiss leading the scoring. Another victory which proved to be the last over FUMA 4-3 led the team to its toughest and most psychologically stimulating game against St. Christophers. An excellent game against the soon to become Prep League Champions ended in 1-2 loss for Woodberry. In that game good playing by the halfbacks led by captain Kimmell Fowle, Ed Chittwood, Bobby Dornin, and Sam Currin gave what the St. Chris coach called their toughest game.

From then on the season seemed frustrating, yielding no more victories, and yet having the team suffer only one defeat by more than one goal. Good effort and playing by the defense composed of George Quarles, Carter Hotchkiss and goalies Doug Rice, Archie Randolph, and "Versatile" Massie Meredith kept many games close. But the scoring punched by co-captain Jim Whitton and the other members of the front line previously mentioned along with Kramer Upchurch, Jim Debell, Chris Conrad, and John Fox had trouble connecting at the right moments for needed scores. Disappointing as it was, the season was highlighted by memories of delightful busrides. And "standing-room-only" crowds at the home games still provide laughs for the coach and his team. But the registering of success in terms like "win" and "victory" will have to come next year. Coach John Reimers, his soccer camp comrades, and faithful fan Wayde Wendell certainly hope so.

Front Row (L. to R.): Doug Gill, Hayes Holderness, Charlie Coker, Hunter Roberts, Richard Hildebrandt, Robert Bricker, Jami Darnell, George Graves, Sprock Leitner, Raine Freeman Second Row: Ernie Wilkerson, Mike Herrmann, Hoyt Taylor, Richard Moncure **Back Row:** Mike Welborn, Johnny Roberts. Bill Cutchin, Willy White, David Bloor **(Up there)** David Strupp, Bob Kirk

The 1975 Winter Track Team made a respectable showing against some awesome competition to come up with a 1-3 dual meet record and a fourth place finish in the prep league. The Tri-captains, Richard Hildebrandt, Robert Bricker, and Rob Long, lead the team in distance, middle distance, and jumps and sprint respectively.

Seniors, Bob Kirk and Dave Strupp held down the pole vault competition, while Willy White displayed his new found devastating jumping and sprinting talents. Juniors Hunter Roberts, a dedicated marathon man, accompanied by Mike plug-a-long-way Herrmann, backed up Richard Hildebrandt for a consistently strong showing in the two mile event. Other juniors with promise were Ben Darby, leading the hurdles and jumps, and newboy Johnny Roberts who became a threat in the 880 yard run. Sophomore Bill Cutchin shows potential on the heels of Bricker in the mile-half mile combination.

The Winter Track Season should have helped to get DT's distance boys in shape for an active spring schedule. A lot of bodies are out for spring track and maybe some talent with them.

This year's J.V. basketball team has had another fine year under Mr. Glascock . It's 12-2 record showed that the team had great composure throughout the entire season. Mr Glascock says that this year's J.V. team was very co-operative and worked well together on both offense and defense. Despite the many illnesses and lack of height, the Tigers used their extraordinary quickness and devastating outside shooting ability to overcome their opponents. The J.V.'s were very versatile and could man-handle either a zone or man-to-man defense. The first team, led by Captain Greg Stallings, followed by Gifford Piercy, Scott "UT" Mayes, Gordon Valentine, and Rodes Hart was replaced in the 2nd and 4th quarters by an equally devastating reserve team. consisting of Joey Agular, Kevin Wheelock, Steve Blaydes, Chris Meredith, Robert Dameron, and Kerr Scott. The combined efforts of both teams were very effective in tiring out their opponents.

The team also wishes to thank 2nd year manager Bill Blair, who devoted his time to the J.V.'s winning season.

Front (L. to R.): "J" Moon, Chip Sisk, Richard Moncure, Wayne Sweezey, Sam Chambers, Dan Moore. **2nd Row:** Ray Washington, Jorge Silviera, Diggs Bishop, Stephen Thomas, Ward Williams, Chuck Hyman. **Back:** Coach Duane Estes, Mel Holley, Gifford Piercy, "Hookie" Jackson, Brent Minor, Coach Ed Kihm.

With only two returning senior starters, the Varsity Baseball team looks to underformers and new boys to bolster its prospects for the '75 season. Co-captains Richard Moncure and Henry Wilson provide the leadership and a core of experience around which the team will be built. Henry's solid performance in the field and consistency at the plate make him a strong candidate for All-Prep.

Joining Wilson in the infield is two-year letterman "J" Moon at 3rd base. "J" 's flawless fielding and "headsup" play should be tremendous assets to this year's team. New boys Diggs Bishop and Chuck Hyman are battling for the starting position at shortstop. Both have strong baseball backgrounds and have looked promising in pre-season practice.

The race for the starting position at first base is wide open. Dan Moore's aggressive bat and tremendous range make him an attractive candidate, but Dan's position in the starting pitching rotation leaves a gap in the infield. Gifford Piercy's agility, quickness, and strong hitting makes a strong candidate for a starting spot, possibly at first base.

The pitching staff could develop into the real strength of this year's team. The bulk of the pitching chores will probably be handled by Brian Murphy, Dan Moore, and Richard Moncure. Adding great strength to the Murphy, Moore, Moncure line-up will be Wayne Sweezey, Chuck Hyman, and Jorge Silveira. The catchers for this fine collection of pitchers will be returning letterman Chip Sisk and new boy Ward Williams.

Richard Moncure will head the outfielders. Opponents should take heed of his strong arm in right field. New-found baseball star, Ray Washington, has all the tools of a natural center fielder—quickness, speed, and a strong arm. Ray is a pleasant addition to the '75 team. Sam Chambers is fighting to retain his starting position in left field. Although he has the inside track, senior Wayne Sweezey and sophomore "Hookie" Jackson are also possible starters.

In many respects 1975 appears to be a rebuilding year. A strong out-of-conference schedule and a lack of experience present a tremendous challenge to the team. Coaches Kihm and Estes, however, have been very pleased by the team's progress in the early practices and approach the season with guarded optismism.
